BONE-CRUNCHIN' BADASS COLLECTOR'S EDITION!

Fore - WORD.

Troy Barnes here, T-Bone to my readers and I want to congratulate you on holding Kickpuncher # 1, which is basically like holding art, history AND literature, and you deserve a full credit for all three.

This project dates back to 2010 to a drawing class wherein I was made to share a table with this dude jim Mahfood, whose stylings first amused, then enthused me, so I elected him as a kind of protogay, pardon my French. Using only my mind and a pencil, I gave him a script, and the rest, as they say, is this comic book. Also this dude Steven Chunn colored it, but, I could color in 2nd grade, so...

Some characters are my actual friends at Greendale, and this paragraph means they can't sue me. Same goes for Sony, which according to the VHS, "owns" Kickpuncher, but as you will see, Kickpuncher knows no master. Also I am broke, so sue my Dad, who spends everything on his girlfriend, who is basically my age, and who keeps her stuff in what used to be my bedroom.
